NEWS AND ACTIVITIES OF THE LINCOLN SKY KNIGHTS R/C CLUB

## President's Message

Be advised: It is not the Presidents' duty to be your father confessor or mommy to complain to. If you don't come to the meetings, or come to the meetings and stand up like a man and voice your concerns, complaints, thoughts, or perceived problems, you must accept the decisions of the fifty-one per-cent of the members present. (P.S. A quorum is ten percent of the paid up members). We normally have around 25 of 100 plus or minus. It is the presidents' responsibility to run the meetings and coordinate the business of the club, not be a P P.

*Dave*

## Secretary's Report

The meeting was called to order at 7:30 p.m. by President Dave Reiber. As the Secretary was not present Brad Pankoke and my notes (Dave Reiber) are as follows.

The Minutes of the July 1, 2011 meeting were not published as the Secretary and others decided that some guests might be offended.

**VP/CD:** The Pattern Contest – Mike Yearly reported eleven entries, one crash, fun for all, weather good and toasty, \$35.00 short of break even. \$300.00 was approved for seed money for the Don Neill to Jim Simonitch, who also requested help in running same. A lot of members volunteered.

**Treasurer:** Report submitted by John Willman was read and approved.

**New members voted in:** Frank Goebel and Bob Natoush. Welcome to the Sky Knights!

**Unfinished Business:** Discussion on the unpublished newsletter ensued. It was determined that the signs located at the north and south start-up pads read, "All Flying to be Done East of the Paved Runway." Don Svoboda changed the signs he had brought to reflect same.

**New Business:** As the President had received requests from Omaha guests for the gate combination, after discussion, it was moved and approved that Pete Rosa be

given the combination to give to pilots he thought were qualified to fly at our field.

The tractor's exhaust system needs to have some work done on it, Don Dickey volunteered to do it.

There being no further business the meeting was adjourned.

Submitted by,  
Brad Pankoke & Dave Reiber
