## **President's Message**

Due to technical difficulties on my part, there is no president's message this month.

## **Secretary's Report**

Meeting called to order at 7:30pm  
April minutes accepted.

## **VP/CD Report**

Field cleanup postponed until May 11th.  
Had a good turnout for this, got a lot done.  
The Grand Island club will have a fun fly June 14-16th.  
Dave Reiber said that the Gretna 4-H group would like to visit June 17 for an intro and demo.

## **Treasurer's Report**

Report read and approved.

## **Safety Officer's Report**

Brad had one call about gate not locked.  
If you are the last one out, **remember to lock the gate.**

## **Old Business**

The executive committee is still combing through the past records to update the constitution and club rules.

## **New Business**

Mike brought up getting patches for the All Season Flyers. This has to be done by each flyer through the AMA.

Rich Kuenning is working with a group of students at UNL on a flight project with a drone aircraft that is Ag related. Motion was made and approved to use club field for educational and training purposes as long as there is a club member present and the non-member has a current AMA membership.
