*NEWS AND ACTIVITIES OF THE LINCOLN SKY KNIGHTS R/C CLUB*

## President's Message

In the last few years our club has helped out the Boy Scouts with their camp outs and with their events that have aeronautical themes. I've always thought that it is important to help feed the young lots of enthusiasm for our sport. It has never been more important than now. I was talking to a friend of mine the other evening at dinner about our club's involvement in the community. A gentleman overheard the conversation and had to comment. His story is short and sweet. He has two sons that were in juvenile hall because of the rotten home scene. A scout master that worked there got the boys interested in scouts and ultimately involved in the aerospace program at their community college. He eventually got custody of his boys and they are both in college now and doing well. He thanked us for what we do to help out the kids. I was just glad I could pass this on to you all. Just goes to show we are all responsible for those around us. Keep up the good work and keep flying.

## Safety Officer's Report

There have been several incidents of flying over the pits and standing on the runway while flying.

For safety you may stand on the runway when taxiing and at take-off but you must return to a pilot station after takeoff and remain there for the rest of the flight including landing. At no time is flying over the pits allowed.

## FUN FLY REPORT

Had at least 22 pilots and a good number of people. Once again Marivic Nguyen (Wayne's wife) cooked us 100 egg rolls and some baklava for desert. I picked up some pizzas from Trackside in Waverly and everyone got enough to eat. The wind was blowing pretty much down the runway. Thanks to everyone for coming. I am realizing it is people more than planes that make a fun fly a success.
