December 2013

Secretary Notes

By Tom Wild

President Loren Blinde called the November 2013 meeting to order at 7:35. The minutes from the September meeting were accepted without objection.

NEW BUSINESS:

It's that time of the year to elect officers and set dues. Wilson Hardy made a motion to have the dues remain at \$20.00 and after a short discussion the motion was accepted.

Loren suggested we change to a bimonthly meeting schedule with meetings on even months. This would avoid the conflict of New Year's day, 4th of July and sharing the Willard Community Center when it's used for voting. Allan Worrest mentioned that this change would need a constitutional amendment. Discussion followed with the pros and cons of this change but in the end all present were agreeable to such an arrangement. Loren said he would work up something official and submit it to Allan to be posted in the newsletter. Thane Kirchhoff suggested during flying weather we could hold our meetings at the club field and maybe get some flying done. (Executive thinking, remember that when casting your ballot in December).

Allan spoke with one of the staff members from Willard about having a paper airplane event for the kids over the Christmas break. If anyone has any airplane or event ideas, contact Allan.

Loren suggested that we get our 2014 lease fees paid before the end of the year. Jim agreed and will look into that.
