December 2019

President's Message

By Wilson Hardy

Thanksgiving is in two days and I for one can be thankful for the year come and gone. This year brought on changes in my family. A married son, a new daughter-in-law, and a mother-in-law moving from Oregon to Wilderness Hills right down the road from us. I have lost several close friends this year to cancer and even suicide. Our home is quiet all week and then the best thing happens....

My family comes home on the weekend for a meal and a small chance to escape the cares of the world and be in a happy and loving place. My daughter usually brings her boyfriend home and my nephew and his family round out the general chaos and noise.

For all of this I am truly blessed and am thankful that in all of this we still live in a country where we are able to pursue happiness. I guess where I am going with this is that even though the government is a wreck we still have it pretty good. This winter while you are building or rebuilding for next flying season, stop for a second to look at how you have been blessed this year and take the time to be thankful for the good things that keep us flying. Have a Happy Thanksgivings, a Merry Christmas, and a wonderful new year.

Secretary's Notes

By Tom Wild

President Wilson Hardy called the October 1, 2019 LASS meeting to order at 7:15 p.m. at Greg's Restaurant. No one present objected to the minutes from the last meeting.

BUSINESS NEW AND OLD:

Tom's days were held the weekend of September 27 through 29 at Wilson Lake KS. A text message from Jim stated the Lucas Point campgrounds were closed and the venue was moved.

The Wilson Fall Fun Fly (WF3) is scheduled for the weekend of October 5 and 6. Greg Hines of Boulder CO is the organizer of this event.

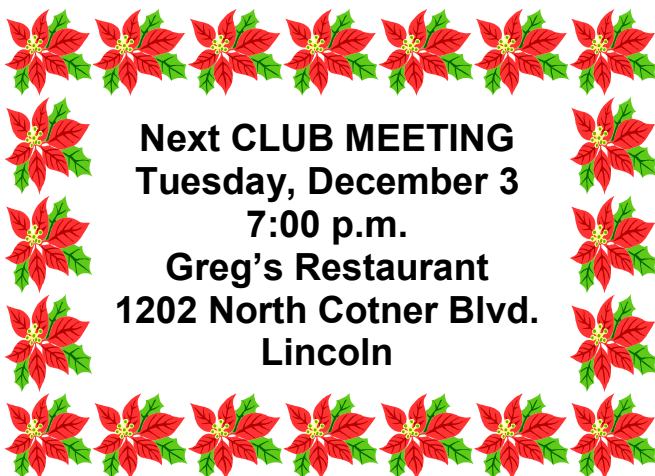

Wilson said he hasn't much luck reaching the president of the Lincoln Sky Knights to discuss the possibility of a winch glider event at the LSK field. He will bring it up at the Friday Oct. 4th LSK meeting. Perhaps we will have a scheduled event yet this year or maybe next year.

We customarily have club officer nominations this time of year. Wilson made the motion to leave the current members serving in office and Loren Blinde seconded. Allan Worrest made the comment he will leave a spot in the newsletter for write-in candidates.

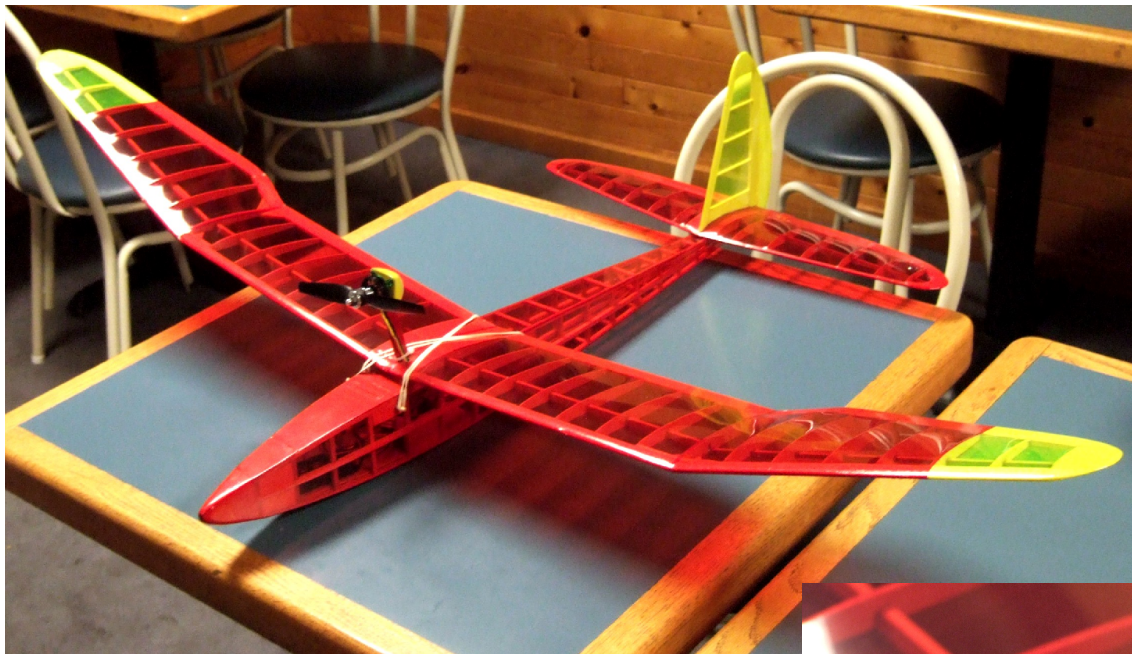

UPCOMING EVENTS:

Wilson Fall Fun Fly (WF3) held the weekend of October 4 thru 6 at Wilson Lake KS.

The meeting adjourned around 7:35 p.m..

Next CLUB MEETING
Tuesday, December 3
7:00 p.m.
Greg's Restaurant
1202 North Cotner Blvd.
Lincoln

October Show and Tell

Loren Blinde brought his Thermic 50 to the October meeting. He converted it into a rudder-elevator electric sailplane. The covering is transparent Ultracote. The yellow is regular weight and the red is light. Nine ounces flying weight. The motor is a Cobra powered by a two-cell, 450 mAh battery pack. (Thanks to Tom Wild for providing the information.)

Regional Events

1/18/2020 Sac Museum RC Air Show, 10:00 am to 2:00 pm, Strategic Air Command & Aerospace Museum, 28210 West Park Highway, Ashland, NE 68003. Information about club participation is not available at this time. Museum members receive free admission to the event and admission applies to all non-member guests. Reservations are not required to attend this event. Admission to the Museum is \$12 for adults, \$6 for kids, and kids 3 and under are free. Phone (402) 944-3100 , www.SACMuseum.org

LINCOLN SKY KNIGHTS INDOOR FLYING

The Lincoln Sky Knights' indoor flying is held at the Cathedral of the Risen Christ's gymnasium located at 37th and Sheridan Boulevard, Lincoln. A \$5 door-fee donation would be appreciated. One does not have to be an LSK member but a valid AMA license is required to fly. The event is usually held twice a month on a Friday. The schedule for December is yet to be determined. Contact an LSK member such as myself, AWorrest@aol.com , to find the date for the next session.

The Lincoln Area Soaring Society, chartered by the Academy of Model Aeronautics as club #1853, publishes this newsletter. Any material in it may be reprinted without permission provided credit is given to LASS and the article author. Submit articles to the editor at the E-mail AWorrest@aol.com
