February 2010

## Secretary's Notes

by Wilson Hardy

The Lincoln Area Soaring Society's January 5, 2010 meeting came to order at 7:38 pm in the Willard Community Center. President Tom Wild took the floor to open the business meeting and promptly handed it over to past Treasurer Jack Barry. Treasurer Barry then proceeded to pass off the duties of Treasurer to present Treasurer Jim Baker. Treasurer Baker then gave a short report on what had happened since his term in office had started. (Not much) His next item up was to make sure that the Bill Kimball family received a "Thank you" for the proceeds from the sale of Mr. Kimball's model planes. It was surmised that Loren Blinde could get in contact with the family to send the club's thanks. The Treasurer's Report was accepted as presented by both past and present Treasurers.

President Wild then continued the business meeting with Old Business. First item up was the Willard Community Center Paper Airplane Derby hosted by Allan Worrest, Jim Baker, Loren Blinde, and Tom Wild. Present at

the build and fly-off were 26 kids ranging in age from seven to ten years old. The students were perfectly behaved and with the addition of "Safety First" safety glasses were very professional about the whole proceeding. Both the staff of the Willard Community Center and the host club members were pleased with how well it all went off.

**Happy Groundhog Day!**

To launch into New Business, Treasurer Baker has not paid the field dues yet but will get that taken care of as soon as he can. He is also going to update the Checking account information for the club.

President Wild then gave a demonstration on how not to bind a JR to Spektrum receiver. He will send the receiver back because it never hooked up no matter which transmitter he used. Better luck next time Tom.

There was no model-of-the-month this time.

The meeting fell apart and disbanded.
