Secretary's Notes

by Tom Wild

President Loren Blinde called the January 2011 LASS meeting to order at 7:35 p.m.

OLD BUSINESS:

Loren asked if there was any news about the Willard Community Center. Wilson Hardy stated he had heard Willard had lost some city funding which was used for janitorial and maintenance expenses. Loren mentioned that LASS has been meeting at Willard for 29 years or so. Wilson stated that we can at the Plant Services meeting room at the Union College campus should we need a new place.

The paper airplane presentation that took place Thursday, December 30th at the Willard center went well with Allan Worrest organizing the event and supplying the airplane building instructions and Jim Baker acting as the voice of LASS and in charge of crowd control. This event will long be remembered in part due to the paper airplanes stuck in the light fixtures.

NEW BUSINESS:

Wilson asked if LASS will be flying at Roper school later in the year and no one present could think of a reason why not. This has taken place in the past during their summer break.

Loren asked if anybody had any news about our flying status at the Lancaster Event Center for 2011. Nobody had any news on the topic but hope to hear good news from Jim on the topic.

Allan stated there have been rumors on the RC forums that the FAA will be making some rulings dealing with flying RC airplanes. We can expect to hear more later on in the year on this issue.

NEW MEMBERS:

Darin Kelstrom came to check us out and plans to join later in the year. Darin has past flying experience but has been out of action for a few years.

MODEL OF THE MONTH:

Nobody remembered to bring anything for show and tell but that didn't stop us from talking airplanes.

The meeting was adjourned at 8:10 p.m.

Winter's Half Over

Richard Britton

Dick Britton, member of the Lincoln Area Soaring Society and the Lincoln Sky Knights, died on January 9, 2011. He was 85. I remember him as always showing up at the meetings in a cheerful mood. He flew a Gentle Lady, as I recall. While he didn't fly at our contests, he would come by and see how things were going.

There was no public service. His obituary appeared in the January 16 Lincoln Journal Star. He will be remembered and missed.
