October Nominations

If you hanker to be a club officer, come to the October meeting and throw your name into the ring. It is a good bet that any of the present club officers will gladly turn over his position to you. Newsletter editor is not an elected office but an appointed one. However, I won't object if someone else takes up the reigns.

Meeting Notes

By Tom Wild

In the absence of President Wilson Hardy, Treasurer Jim Baker called the Aug. 1, 2017 LASS meeting to order at his home, in his workshop. There were no objections to the minutes from the last meeting.

OLD BUSINESS/ FIELD REPORT:

Darin Kelstrom reports the alfalfa has been mowed at the Arbor Road flying site and there are a few bales to look out for. When asked how we came to have this flying site Jim stated that he and Thane Kirchhoff were driving around the Abbot Sports Center looking for a place to fly and they ran into Pat Thomas. After some discussion, Pat offered up the alfalfa field next to the motocross track on Arbor Road.

NEW BUSINESS:

Tom's Days date had not been set at the time of the meeting but has now been advertised as the weekend of Oct. 6th, 7th and 8th at Lucas Point at Wilson Lake; Kelly Neill's email message shown below.
