Minutes

By Tom Wild

The September 4th meeting of the Lincoln Area Soaring Society came to order at 7:31 pm with Loren Blinde presiding. Jack Barry made a motion to accept the August meeting minutes and Darin Kelstrom seconded. There were no objections.

BUSINESS:

Tom's Days at Wilson Lake will be on Sept 14th and 15th. It will be held at the same campsite as in the past few years. Although a large campsite, it isn't a group site so reserve your adjoining camping spot soon. The Tom's days funds will provide the Brats. Jim reports Kelly Neill has been selling off some of Tom's old kits to add to the Tom's days funds.

Loren suggested a gathering at the Lancaster Event Center club filed on Sunday September 9th around 9 or 10 weather permitting. Not a contest, just a winch and open flying.

The meeting adjourned around 8:00 or so.

Editorial

You may be wondering why is a recipe appearing in the club's newsletter. The newsletter needs articles from the members. The more the membership contributes to the newsletter, the more vibrant it becomes. The editor's primary job should be to edit and not author. When a member submits an article that is in good taste, I'll publish it.

October is the officially the month we nominate next year's officers. Sometimes we let it slip to November. Either way it is time to start thinking about nominations. - A.W.
