

OLD TIMER* FUN FLY & DISPLAY

June 25, 2022 - Saturday - 9am-noon

Omaha - Standing Bear Lake Park – Hawkfield

* For newcomers, Old Timer refers to old time model planes that were designed for free flight (before RC) during the 1930 -1950 period, such as seen below.

Optional climb & glide timing after 10:30. Unlimited engine run to climb, then 4-minute glide to land on runway. Pilot is on his own after 3 minutes. Trophy for best looking Old Timer. (Since 1990s, most SAM RC rules limit engine climb to 18 - 23 seconds or small amount of fuel)

Burgers, Bratts, salad, desert, etc. drink at 11 am by Sheri S

AMA pilots from all fields welcome
