A Word From The President:

Another successful Club Auction is behind us, I want to say **THANK YOU**, to all of those who helped us with this auction. Both Club members and there families members and others that helped out. We had a lot of good planes there at the auction, some real good bargains were picked up.

Its about time to go flying and with the next club meeting (May 2) being at the field, it time to get the planes ready. Remember to check those batteries out before you go to fly, better safe than sorry. So dust'em off and get them charged its time to go flying.

See you at the Field

Spring Fun Fly!

Mead Field

Full details on page 5

May Meeting:

7:00pm Tuesday, May 2nd 2006

Location: Springfield Flying site

Bring a plane, open flying & food!

(1/2 mile south of 156th & Platteview Road, Springfield NE.)

Vice-President's Corner:

Wow! Can you believe the Auction is over! Now it is time to start flying. I can't wait for Tuesday nights. I heard we suffered severe fence removal at Mead from that Auction. The hope is we can get the help to fix things up.

I found out Mark Smith AMA VP spoke at the Omahawks pitching the virtues of AMA. Maybe someday he might visit us and pitch the virtues of AMA. I was disappointed at the fact they would not run our non fly ad unless we paid. I am future amazed at their consideration of a Park Flyer category to collect \$30 from people who fly at 300 range. It seems the AMA membership is declining as I heard in Toledo and will fall below 150,000 this year. The rates to advertise in their magazine however are increasing. The classifieds ads are up 50%, nice touch.

Toledo was fun and we had several guys from Omaha there. I never made it to the show I was busy in the Swap Shop.

See you at the field.

Happy Landings, - Bob Boumstein

THANK YOU to everyone, and the family members, that helped with our 2006 auction!
