A Word From The President:

Greetings, Wow what a weekend the IMAA Fun Fly was, it was great with good attendance and some real good flying. There were lots of diversity in the types of aircraft that were present. Some outstanding flying was also demonstrated. I hope that we can live up to this next year as well.

A hearty "THANK YOU" to all that helped with the event. The Old Timers event went well to although it got a little windy near the end of the flying. And the Quickee 500 races are on the 27th of Aug. Hope to see you there. I believe that we can have some more success with another fun fly yet this year, its great that we have these to attend. I am looking forward to the Fun Fly and Swap later in September. See you all at the meeting.

-Thank you! - Rick Miller

Vice-President's Corner:

Well I made it to the field on Tuesday the 15th of August. What a great turnout! The burgers were delicious and I got to fly my old timer Thor. One of those 3 perfect nights in Nebraska. I really had a great time. *Lots of friendly mosquitoes too!*

I guess the time slips away but soon we will have to consider officers for 2007. I will not be running for VP next time, but would gladly help as time allows. Perhaps 3 or 4 of you could start talking about a slate of candidates. Talk with our President and you will find the offices are not too demanding.

Joe H. and Bob Z. have the toughest jobs as Newsletter and Treasurer take time. Joe is doing a fine job as editor and Bob has been an excellent treasurer.

The Auction in 2007 will need to be planned soon, as we should have our flyer ready to distribute at The Omahawks Auction in October. I think we should return to a simple Auction with one raffle item. We tried to stimulate things by giving money away with no improved results. So keeping it simple will be the code for 2007. If anyone has ideas bring them up to me or Rick Miller, please!

-Keep your wings level! - Bob Boumstein

A great turn out!

The 17th Annual Bud Hall Memorial Fun Fly (*Mead Field*) had a great turn out this year with 28 attending IMAA pilots , more than 35 aircraft and many spectators The weather Saturday was overcast with a wind of 10-15 mph straight out of the south. Pete Rosas put on a free-style and 3D exhibition with his giant 35 & 40% Carden Edge 540's. *Thanks Pete, it was a great show!* Sunday's weather was just *fantastic*, partly cloudy, in the 80's, low humidity and very light winds (*Under 10mph*). Great Brats & fixins' were served *both days* by Randy Tentinger (*Thanks Randy!*), and Bob Burt as usual, put on an outstanding event again this year. (*Thanks Bob!*). *If you missed it, start building your giant this winter for next year's 18th annual event!*

Just a Thought:

Have you ever stopped to think about the *total* number of events, functions, and the field maintenance we do each and every year?

We are approximately a 55 person club that maintains 2 fields, 4 mowers, trains new pilots, and hosts the following events each and every year:

- 18 - weekly Tuesday night Fun-Fly's & Feeds
- 1 - Annual Auction
- 1 - Spring Fun-Fly
- 6 - Old-Timer Fun Fly's
- 5 - Quickee 500 races
- 2 day - Bud Hall IMAA event
- 1 - Fall Fun Fly and Swap meet (*this year*)
- 12- Monthly Meetings

This is basically 46 total events, to schedule, organize & run, not to mention the weekly field maintenance, mowing, training, newsletter and website!

Amazing isn't it! We challenge anyone to support, organize, run this many events, *and* do maintenance on 2 fields each and every year for a \$35.00 yearly membership fee. Somehow, we don't think *anyone* comes even close to our club's overall effort toward this hobby! (*Continued next column*)

Just a Thought: (Continued)

So in conclusion.... Next time you see the good folks in our organization that organize, run events, do maintenance, train, or are involved with many of the other club activities. Take the time to find out who they are, and *Thank them!* As they are the reason you are having a great time!

And yes, it's generally a *very* small percentage of people that regularly organize and run all of these functions.

~ Ask yourself... Are you doing your part? ~

***Get involved, and make a great club,
even better!***
