## Minutes

---

By Tom Wild

---

President Wilson Hardy called the August 6th, 2019 LASS meeting to order at 7:20 p.m. at Greg's Restaurant. Jim Baker made a motion to accept the minutes from the last meeting.

### BUSINESS NEW AND OLD:

A discussion of where to have a glider event was less than fruitful. The official field is this year in beans. Wilson mentioned flying at Wagon Train Lake spillway wasn't very good due to wind direction. A question of having a winch glider event at Western Flyers field was brought up but no plan was proposed. Also, an event at LSK field was suggested and Wilson was asked to spearhead that proposal. Loren Blinde mentioned the Omahawks host and electric glider event once a month on Wednesdays at Standing Bear Lake, north of Maple Street at 138th and Fort. Thane Kirchhoff suggested we invest in electric gliders.

Wilson reminded us to make sure you have your FAA registration number is shown on the outside of your airplanes.

### UPCOMING EVENTS:

"Tom's Days" will be held at Wilson Lake KS on Sept 27th thru Sept 29th. The most likely camp site will be Lucas Park, camp site 105.

Also, at Wilson Lake will be the WFFF, Wilson Fall Fun Fly held the weekend of Oct. 4th thru 6th.

The meeting adjourned around 8:05 p.m..

## President's Message

I've been traveling the country in kind of a whirlwind way. A couple of weeks ago I flew to Salem Oregon with my brother. Nope, not a vacation trip. We arrived on the 5th of September, by 8am on the 6th we were already packing two Uhaul trucks with all my Mother-in-law's possessions. By 6pm that evening we had stuffed a 26' truck and most of a 24' truck. I'm just glad that she didn't have pets.

On the road the next morning for the 1661 miles back to Nebraska. Road construction on day one, torrential rain

## Nomination of Officers

Traditionally at the October meeting, we nominate the club officers for the next year. If you would like to toss your hat in the ring, come to the next meeting. Failing to attend will not guarantee that you will be overlooked!

and road construction on day two, and then sweet I-80 and clear sailing with a great tailwind on day three. Two days of waiting then she has the keys to her new house. We unpacked both trucks and took them back to Uhaul here in Lincoln on the 12<sup>th</sup>.

That Thursday I was mowing her lawn that the builders hadn't mowed for two weeks. I got half done and called it quits for the night, backed out, right over her neighbor's brand new mailbox. Got to meet the neighbor.

Fast forward to Tuesday, the next week. I now have a new skill, I can replace mailboxes to the satisfaction of that new neighbor, but not until I fixed the sprinkler line that I cut digging out the concrete base of the broken mailbox. Where am I going with this story you might ask? Well it is a lesson with a moral... no good deed goes unpunished.

Someday I'd like to get back to flying planes...

## August Show & Tell

Tom Wild shows his Fun One ODR at the August meeting. It is the original design and has been flown and repaired by several of the club members.

## Regional Events

10/04-06 Wilson Fall Fun Fly From Jul 07, 2019, 11:18 AM RCGroups.com forum, "The Wilson Fall Fun Fly (2019 edition) will be held the "weekend" of Fri, Oct 4th thru Sun, Oct 6th at Wilson Lake, Lucas, KS. As in the past, this is strictly a fun fly where slope pilots from near and far come to fly on Wilson Lake's wonderful slopes with like minded aviators. No entry fees, t-shirts, banquet, or prizes. Just a guaranteed fun flying with friends."

10/13 Omahawk's Auction - See attached flyer.
