Looking for a way to fight off cabin fever this winter? Your friends at the Midwest Performance Flyers RC Club have the cure! Tom Egbert has arranged for an indoor flying and football party at The Digz Sports Complex this Sunday, February 6th to coincide with the big game this weekend.

Flying will begin around 1PM and will continue until the nice folks at Digz throw everyone out after the game. At 5PM, the pre-game festivities will be available for viewing on the three big screen TVs inside of Digz. If you'd rather keep flying instead of watching football, no problem!

All-you-can-eat pizza will be available from 5PM until around half time, and soft drinks, beer, and cocktails will be for sale from the bar. You will need to pack up your transmitters before enjoying a beer or cocktail.

Contact Tom Egbert at (402) 659-2123 with any questions. Visit www.thedigz.com for directions and/or a map to find the party. Hope to see you there!
