Autumn is a great time for flying radio controlled aircraft. The bugs are almost gone, temperatures are nice and moderate, and the leaves at Standing Bear Lake Park are changing all kinds of wonderful colors.

There is nothing on the schedule for October 15th. No Husker football to watch, and no flying events at any of the Omaha/Council Bluffs area flying clubs! Well, we have a solution.

I'll provide bowls, napkins, spoons and crackers. You make your best pot of chili and bring the shredded cheddar and chopped onion.! We'll have plenty of ice cold pop and water, so don't skimp on the spices. Whomever makes the best pot of chili will receive a \$25 gift card to HobbyTown USA.

A \$5.00 donation to the Runway Improvement Fund will be required to eat, and a current AMA membership card will be required to fly. Due to the difficulty of searching the woods for aircraft, crashing will be strictly forbidden! See you at Hawk Field on Saturday, October 15th for a great day of flying!
