Do you love flying quadcopters? Head on out to Hawk Field to show off your favorite drones! FPV aircraft and multi-rotor aircraft are all welcome, just so long as they fly great and look cool doing it.

High flying fun will begin at 11AM and run until 3PM. Guests will be welcome to stay for open flying later in the day, but they will have to look out for Kadets and Quakers after 3PM.

Sandwiches, chips, pop, and water will be provided for all participants. Feel free to bring coffee, hot chocolate, cookies, popcorn, or whatever else might suit your taste buds!

A current AMA membership card will be required by all. **Don't have an AMA membership? No problem! You can sign up at the event and fly the same day.** See you there on Saturday, July 13th for a great day of flying! Make up day Sunday, July 14th in case of rain.
