

Omahawks Night Fly Fun FLY Saturday, November 5th, 2011

**Hawk Field @ Standing Bear Lake
in Omaha, NE**

6:00pm – 10:00pm

What happens when you add cool weather, nice evening, cool lights on RC Aircraft, and a bunch of crazy but fun loving people together on a Saturday evening? You get the 2nd Annual Omahawks Night Fly Fun Fly event. We are all getting together on Saturday, November 5th from 6:00pm – 10:00pm to enjoy a potluck dinner and social gathering to enjoy watching a few crazy pilots trying to navigate their planes in the dark.

Want to come out and socialize but don't have a plane with lights on it? No matter. Come on out and have fun with us, but dress warm as the weather might be a bit chilly. You never know what might happen or what can be seen out at the field when the sun goes down.

**Fun, Friendship, and Good times to be had.
Hawk Field @ Standing Bear Lake
13800 Fort Street. Omaha, NE**

*\$5.00 Landing fee for pilots without a Hawk Field permit
