SPC Pylon Racing Event

Sat. May 14, 2011 11AM to 4PM

Club 40-style pylon racing around a 400' two-pylon course. Pilots will compete for ten laps per heat in five rounds of white-knuckled racing excitement!

Pilots will provide their own fuel and are on their honor to use 10% or 15% standard sport fuel.

Pilots will accumulate points during each of the five rounds of competition. Prizes will be awarded to the pilots finishing 1st, 2nd, and 3rd for the event.

SPC Competitive Fun Fly

Sat. June 25, 2011 11AM to 4PM

Pilots will compete in four mini contests, each designed to test their skill and daring:

- 1) Roop Touch-n-Go (5 passes)
- 2) 6' Limbo (5 passes)
- 3) Taxi slalom (3 circuits)
- 4) Table Landing (5 passes)

Pilots will be ranked according to completion times for each event, with points awarded for each rank. Prizes will be awarded to the pilots finishing 1st, 2nd, and 3rd for the event.

SPC Combat Event

Sat. July 23, 2011 11AM to 4PM

Pilots will compete in five rounds of aerial combat, maneuvering to cut their opponents' 30' streamers while also trying to protect their own.

30' crepe paper streamers and 5' leader strings will be provided for the pilots to use.

Points will be awarded for each "cut" as well as remaining streamer length. Prizes will be awarded to the pilots finishing 1st, 2nd, and 3rd for the event.
