Air Show Ground Exhibit Guidance:

1. It is your responsibility to ensure the safekeeping of your equipment throughout the show. You must coordinate the delivery, set up, tear down, and removal of all items you bring to the show. The Air Show staff **should not** be considered an avenue for deliveries.
2. If you intend on selling any items, it must be approved by the Air Show staff and you must set up a contract through the 55th Services Squadron. Additionally, the Air Show office **cannot legally** provide any equipment (tables, chairs, tents, etc...) to organizations selling merchandise, so you must provide ALL of the items you require.
3. Any/all persons that will/might be driving on the flight line for set-up and or tear-down **must** receive a **mandatory** flight line driving safety briefing and sign a roster acknowledging the briefing prior to being granted flight line access. This briefing will be provided for you during your orientation brief. Additionally, bicycles **are not** allowed on the flight line at any time.
4. At **NO** time will any vehicles will be allowed to move once inside the flight line gates without prior approval of the Air Show staff.
